8001S Surface Mounted Door Stay

90° Opening

**Smooth roller action with
90° hold-open**

The Lockwood surface mounted door stay provides effective door control for medium to light duty doors. These products mount to the surface of the frame and require a minimum amount of door and frame preparation. Lockwood 8001S door stays are ideally suited for medium to light duty applications where the expense of a hydraulic door closer cannot be justified.

Features include:

- New and improved smooth action roller mechanism.
- Noiseless friction hold-open.
- Non-handed.
- Mechanism tested to 500,000 cycles.
- Stainless steel and anodized aluminium finishes.
- Suitable for door leaves that are required to open or hold-open at 90°.
- Suitable for patio, partitioning, cupboards, switchroom, FHR type doors.
- Suitable for door widths from 400 mm to 850 mm.
- Suitable for most door thicknesses.

Lockwood Guarantee

Lockwood Security Products Pty Limited ('Lockwood') guarantees its products against defects in workmanship and materials. If within the normal working life of a product it is found to be defective, Lockwood will supply the same or an equivalent product free of charge.

All electrical components used in our products are guaranteed for a period of five years from the date of manufacture. Lockwood however, assumes no liability under this guarantee for the following:

1. Improper installation or failure to follow fitting instructions.
2. Failure due to improper maintenance or fair wear and tear.
3. Indirect or consequential loss or damage.
4. Cost of removal and/or replacement.

5. Cost of freight and/or travelling time.
 6. The plated finishes, Florentine Bronze, Architectural Bronze, Polished Brass, Gold and Satin Brass are classified as soft finishes. As deterioration is possible under some climatic conditions, these finishes are excluded from this guarantee.
 7. Any modification to a product as supplied, or repairs, unless authorised by Lockwood.
 8. Use of replacement parts other than authorised parts.
 9. Malfunction or failure of the product due to the use of non-genuine Lockwood parts.
- Nothing in the Lockwood guarantee excludes, restricts or modifies any condition, warranty, right or liability implied or protected by law where to do so would render the Guarantee, or any part of it, void.
